

ONLINE REPORT CARDS AND PROGRESS REPORT VIEWING

Palmer Parents,

We are very excited to announce our move to online report cards! Starting with our Quarter 3 progress report, all report cards and progress reports will be distributed electronically through ParentVUE. Now that we have the online option, we will no longer print paper copies. We look forward to doing our part to save paper!

It is important that you set up a ParentVUE account in order to receive report card information. If you do not have a Parent VUE account activated, the enrolling adult will need to come to Palmer to pick up an activation form and sign the privacy form. This account will give you access to the online progress and report card, as well as the ability to monitor grades and attendance on a daily basis. You will need to bring in a photo ID to complete this process.

ParentVUE can be located from the Parents tab on the Cobb County School Website or from the Palmer School Website. The ParentVUE app is also available for iPhone and Android phones.

If you do not have internet access and are unable to use ParentVUE, please contact your student's counselor for a copy of progress reports or report cards. The counselors are Barbara Truluck (6th Grade and 7th Grade N-Z) – barbara.truluck@cobbk12.org and Lauren Holland (7th Grade A-M and 8th Grade) – lauren.holland@cobbk12.org.

There is nothing to print for *progress reports* because the grades in ParentVUE will accurately reflect your child's progress at the midpoint of the grading period. When report card grades are posted, we will send out a reminder and instructions on how to view and print the report if you wish. Instructions will also be available on the Palmer website. We will continue to print and distribute a paper final report card at the end of the year.
