

March 23, 2018

Dear Parents of Eighth Grade Students,

Our 8th Grade Spring Dance theme will be “Flashback & Get Retro” and should be a night to remember! The dance will be held on April 20th from 7:00pm – 9:00pm at Palmer Middle School. Admission is free, however, students must return a signed permission slip in order to attend. The signed permission slip may be returned to the School Store any time before April 20th. Please note that students must attend school on April 20th in order to attend the dance that evening.

We know you want to support this function by ensuring that your child follows the dress code. This middle school function will follow our normal Palmer Middle School dress code as it addresses length of skirts, straps, etc. **In addition, students cannot wear: Long Dresses, Low Backless Dresses, Strapless Dresses, nor Jeans (Gentlemen may choose to wear a nice shirt, khaki or dress pants – coat and tie are optional).**

Remember, our students are eighth graders. The dance is **not** a formal affair. It is designed to be one of many culminating activities celebrating your student’s rise to high school. We encourage *Sunday best* attire, not clothing that would lend itself to a high school prom atmosphere. No limousines are allowed. We need to ensure a smooth flow of traffic.

One final important note: This event is for Palmer eighth graders; therefore, students from other schools may not attend.

We appreciate your support!

Sincerely,

Lisa Jackson
Principal
